

The Ben Hudnall Memorial Trust has formed a student pathway which ensures that specified college prerequisite courses that are successfully completed at Colorado Technical University will transfer to Coastline Community College. This is based on Colorado Technical University's regional accreditation, and is provided that these courses are comparable to required courses in the student's chosen curriculum. This pathway can translate into specific student benefits, including enhanced tuition savings and expedited degree completion.

Colorado Technical University		Coastline Community College	
Course Number	Course Name	Course Number	Course Name
